

ARIZONA PHOTONICS DAYS 2018

January 24-26, 2018

Tucson, Arizona

Presented by Optics Valley in partnership with the Global Photonics Alliance

Join us as the Optics Valley Committee of the Arizona Technology Council hosts our Global Photonics Alliance partners for two days of technical discussions and business-to-business meetings:

- Connect and Network with your global peers in the quiet, intimate environment of Tucson, Arizona.
- Learn about the amazing optics technologies from Optics Valley companies and the University of Arizona College of Optical Sciences (OSC), as well as those from our Global Photonics Alliance attendees.
- Discuss global optics issues with the ability to formulate coordinated positions and ideas.

Agenda - subject to change

Wednesday, January 24th - Courtyard by Marriott Williams Centre

4:00 Optence/Optics Valley Member Workshop

6:00 Welcome Reception

- Jonathan Rothschild, Mayor, City of Tucson

Thursday, January 25th - UA Tech Parks Conference Center

9:00-12:00 Plenary Session – Welcome and Company Presentations

9:00 Welcome

- Optics Valley, John Dennis, Chair
- Arizona Technology Council, Steven Zylstra, President & CEO
- UA Tech Parks, Bruce Wright, Associate Vice President

9:30 Company Presentations

B2B meetings as required

10:15-10:30 Break

10:30-12:00 Company Presentations Continue

B2B meetings as required

12:00-1:15 Lunch

- John Greivenkamp, PhD, 2018 Vice President of SPIE (TBD)

1:15-5:00 Plenary Session - Technology and Business Presentations

1:15 Biomedical Optics, Jennifer K. Barton, PhD, Director, BIO5 Institute

1:45 European Manufacturing Pilot Lines for Photonic Devices,
Jose Pozo, PhD, EPIC, Director of Technology and Innovation

2:00 OptecNet and Photonics in Germany,
Dr. Frank Lerch, Managing Director, Optec-Berlin-Brandenburg (OpTecBB) e.V.

2:15 ISO 10110 Drawing Standards, TBD

2:30 Freeform Optics, Anke Mank, International Coordinator, OptoNet e.V. Thüringen

3:00 Solar Zone Introduction, UA Tech Parks, Bruce Wright, Associate Vice President

3:15 Darling Geomatics, Mary Darling, M.S., J.D., CEO & Principal Owner

3:30-3:45 Break

3:45 Depart for Solar Zone

4:00 UAV Demonstration

4:45 Tour of Solar Zone

5:15 Depart for Dinner

6:00 Dinner - Pinnacle Peak

Friday, January 26th - University of Arizona, College of Optical Sciences

9:00-12:00 Plenary Session - Welcome and Company Presentations

9:00 Welcome

- UA College of Optical Sciences, Thomas L. Koch, PhD, Dean
- UA Research, Discovery, and Innovation, Stephen Fleming, VP Strategic Business Initiatives
- UA Tech Launch Arizona, David N. Allen, PhD, Vice President

9:30 AIM Photonics - Thomas L. Koch, PhD, Chairman of AIM Photonics Technical Review Board

10:00-10:15 Break

10:15-12:00 Company Presentations Continue

B2B meetings as required

12:00-1:30 Lunch

- Juan Ciscomani, Senior Advisor to the Governor of Arizona
- Anke Mank, Global Photonics Alliance
- Honoring UA's Fellows of the National Academy of Inventors (TBD)

1:30 Tour of UA Richard F. Caris Mirror Laboratory (formerly Steward Observatory Mirror Lab)

2:30 UA College of Optical Sciences Open Labs

B2B meetings as required

5:00 Farewell Reception - UA College of Optical Sciences, Meinel Building 8th Floor
