Call for exhibitors

38th International Symposium on Compound Semiconductors – ISCS 2011

23rd International Conference on Indium Phosphide and Related Materials – IPRM 2011

Dear potential Exhibitor,

We cordially invite Exhibitors interested in showcasing their products and services at the **Compound Semiconductor Week 2011** that brings together 2 conferences: **the 38th International Symposium on Compound Semiconductors (ISCS) and the 23rd International Conference on Indium Phosphide and Related Materials (IPRM)**. The events will jointly take place on May 22-26, 2011 in Berlin, Germany!

Both conferences are the major, long-standing forum that covers all aspects of compound semiconductor fundamental and applied research. In 2010, for the first time both conferences took place under one name – Compound Semiconductor Week (CS Week) – and attracted **675 attendees** from research and industry to Kagawa, Japan. The exhibition of CS Week was booked out by **32 companies!** Do not miss the unique chance to meet the whole CS community in Hotel Maritim proArte Hotel in Berlin next year!

Exhibit dates: 23 – 25 May 2011

Exhibition Area: a hall of 470 m² just in front of all conference rooms for oral sessions; coffee breaks will be served in the Exhibition Hall in the morning and afternoon; the lunch area will be adjacent to the exhibition area providing high exposure of the exhibition booth to the participants
